Dear Students and Parents:

On behalf of the Willacy County Fair, FFA Chapters and 4-H Clubs of Willacy County, we would like to invite the youth of Willacy County with special needs to participate in the seventh annual Willacy County Special Show **January 26, 2024**. The Show was created to give kids with special needs the opportunity to participate at the Willacy County Fair. The show will be open to all special needs children that attend school in Willacy County from 3<sup>rd</sup> thru 12<sup>th</sup> grades.

Each participant and their parents will receive free admission to the Fair for that day. We hope to make a positive impact on your children through this opportunity.
